african american life carried forward the militant philosophy of resistance pride and self esteem like activists in the sixties and seventies african americans today mobilize a rich variety of cultural resources in the struggle for group identity and racial justice whether in the films of spike lee or other new black directors in rap music or in experiments in afrocentric education african americans continue to reshape the contours of american values ideals

an amazing insight into end times prophecy dr brown writes from a messianic perspective revealing how the feasts and current world events tie in with biblical and even islamic prophecies a must read for all those interested in what is about to happen in these last days

paulson offers a fresh logical way of integrating the complex eschatological passages of the bible into a cohesive whole the passages mesh beautifully when interpreted according to the plain reading of the text and are in sync with what other passages say on the same subject biblical studies
