wuthering heights is the name of mr heathcliff's dwelling "wuthering" being a significant provincial adjective descriptive of the atmospheric tumult to which its station is exposed in stormy weather pure bracing ventilation they must have up there at all times indeed one may guess the power of the north wind blowing over the edge by the excessive slant of a few stunted firs at the end of the house and by a range of gaunt thorns all stretching their limbs one way as if craving alms of the sun happily the architect had foresight to build it strong the narrow windows are deeply set in the wall and the corners defended with large jutting stones before passing the threshold i paused to admire a quantity of grotesque carving lavished over the front and especially about the principal door above which among a wilderness of

crumbling griffins and shameless little boys i detected the date Ô1500 Ô and the name Ôharetton earnshaw Ô i would have made a few comments and requested a short history of the place from the surly owner but his attitude at the door appeared to demand my speedy entrance or complete departure and i had no desire to aggravate his impatience previous to inspecting the penetralium one stop brought us into the family sitting room without any introductory lobby or passage they call it here Ôthe houseÔ pre eminently it includes kitchen and parlour generally but i believe at wuthering heights the kitchen is forced to retreat altogether into another quarter at least i distinguished a chatter of tongues and a clatter of culinary utensils deep within and i observed no signs of roasting boiling or baking about the huge fireplace nor any glitter of copper saucepans and tin cullenders on the walls one end indeed reflected splendidly both light and heat from ranks of immense pewter dishes interspersed with silver jugs and tankards towering row after row on a vast oak dresser to the very roof the latter had never been under drawn its entire anatomy lay bare to an inquiring eye except where a frame of wood laden with oatcakes and clusters of legs of beef mutton and ham concealed it above the chimney were sundry villainous old guns and a couple of horse pistols and by way of ornament three gaudily painted canisters disposed along its ledge the floor was of smooth white stone the chairs high backed primitive structures painted green one or two heavy black ones lurking in the shade in an arch under the dresser reposed a huge liver coloured bitch pointer surrounded by a swarm of squealing puppies and other dogs haunted other recesses
